

DOES YOUR CHILD DISPLAY ANY OF THESE SIGNS?

- | | |
|---|---|
| <input type="checkbox"/> Does not respond when being called | <input type="checkbox"/> Difficulty following instructions from adults |
| <input type="checkbox"/> Difficulty making friends | <input type="checkbox"/> Difficulty taking turns & sharing with others |
| <input type="checkbox"/> Not potty trained | <input type="checkbox"/> Often screams, throws tantrums, or cries |
| <input type="checkbox"/> Sensitive to certain noises | <input type="checkbox"/> Lack of eye contact when communicating |
| <input type="checkbox"/> Prefers to play alone | <input type="checkbox"/> Gets really upset when told 'no' |
| <input type="checkbox"/> Difficulty sitting still | <input type="checkbox"/> Difficulty communicating and delayed speech / language |

DID YOU CHECK OFF 5 OR MORE ITEMS ON THIS LIST?

If you checked off 5 or more, your child may benefit from Applied Behavior Analysis (ABA) therapy to assist with school readiness. ABA will focus primarily on key skills needed to be successful in a traditional school environment.

This checklist is not predictive of your child's success or an official diagnosis. Please consult with your physician if you have questions about a diagnosis.
